Dillard University's Student Support Services is a federally funded program that provides tutorial assistance and counseling to three hundred (300) eligible students throughout the academic year, and has been in existence at Dillard for eighteen (18) years. The program is sponsored by the U. S. Department of Education - Division of Student Services. The goal of Student Support Services is to increase academic performance, retention, and graduation rates of eligible students. Additionally, the program is designed to help students cope successfully with the demands of college.

Student Support Services offers many enhancing activities and enrichment resources that include academic tutoring, academic, personal, career, and graduate school counseling. In addition, students have access to financial aid information. Cultural enrichment activities are provided for students during the academic year. During the summer, an intensive five week pre-freshman program is offered. Workshops and seminars are presented on a continuous basis, and include such topics as study skills, time management, test-taking skills, note-taking skills, textbook reading skills, mathematics study skills, career decision making, resume writing, job search strategies, graduate school information, and essay writing. ■

Dillard University Dedicates Facilities & Grounds . . .

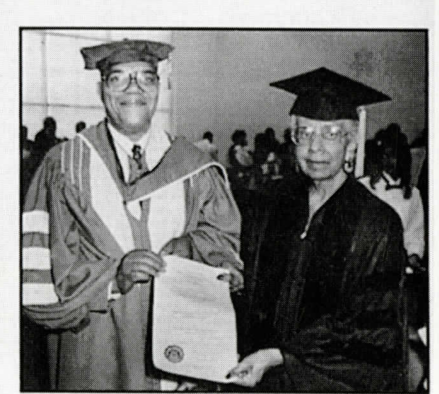

DEDICATIONS

There have recently been two Dedication ceremonies and following receptions on campus. On April 23, the Rosa Freeman Keller Avenue of the Oaks of Dillard University was dedicated. Dr. Keller has been a generous supporter of the university for many years and is the only University Trustee to have ever received an honorary degree from Dillard. She received a Scroll of Dedication signed by key university officials in which excerpts of the scroll read "we dedicate the Rosa Freeman Keller Avenue of the Oaks of Dillard University in honor of a wonderful, caring, and socially committed human being." A Marker of Dedication will be permanently installed at the Rosa Freeman Keller Avenue of the Oaks of Dillard University in the near future. It will be a marker of rose colored granite with an appropriate inscription and date of dedication to Dr. Keller carved in the stone. The granite will be set on a pad of Vermont slate.

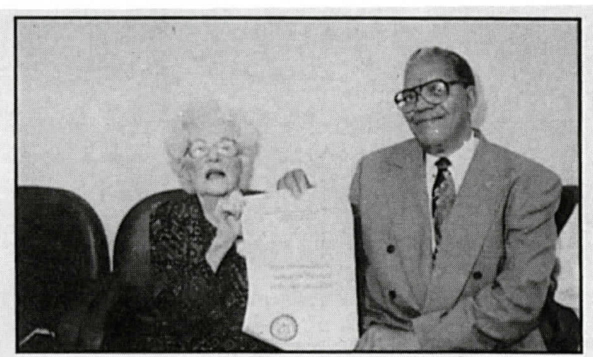

On April 30, the Thelma R. and Sidney N. Collier Conference Center was dedicated in the Samuel DuBois Cook Fine Arts and Communications Center. Mrs. Collier and family have been long-time supporters and close friends of Dillard University. A Scroll of Dedication signed by top university officials was also presented to Mrs. Collier and in part it read "we dedicate the Thelma R. and Sidney N. Collier Conference Center in honor of the Collier's commitment to social service, education, and humanity." An enlarged and lovely framed photograph of Mrs. Collier and her late husband, Sidney N. Collier, is mounted on the wall of the Conference Center. In addition, a Marker of Dedication will be installed this summer, featuring a bronze plaque with raised lettering placed adjacent to the entrance to the Thelma R. and Sidney N. Collier Conference Center. An appropriate inscription and date of dedication will be included. Mr. Sidney N. Collier was a 1933 graduate of Dillard University.

Dr. Keller receives a bouquet of roses from Mrs. Vernese B. O'Neal, Director of Enrollment Management and Admissions.

Mrs. Collier addresses the audience.

Fair Dillard,
Gleaming white and spacious green,
We love thy every blade and tree;
We love thy breathless days, thy nights serene,
Thy halls where men are men and free.
Arise, O sons and daughters, hail thy queen
And pledge for aye thy loyalty

Fair Dillard,
Flaming love and learnings' light
Teach us each day, each passing hour
A deep'ning love for beauty, truth and right
